## WashKleen MC160 - MC180 - MC200

### Fully Enclosed Manual Spraywash Cabinets

The **WashKleen MC160**, **MC180** and **MC200** give a choice of fully enclosed manual parts wash stations all constructed from stainless steel. Their wash chambers are accessed from the front for ease of loading and foot print savings. The machines are fitted with high-pressure spray guns that are controlled from a foot pedal allowing the operator to keep both hands free making these machines ideally suited for cleaning more heavily soiled components.

WashKleen	Units	MC160	MC180	MC200
Machine dimensions	mm
